**Subject:** Butte Health Study - Comment Response Leads and Proposed Schedule for Response/Work Plan Revisions

Dear Planning Team:

As requested during the February 20, 2013 BPSOU Health Study planning team conference call, attached is a summary of the sorted comments and comment response leads identified during the call. A schedule for the ongoing preparation of comment responses and work plan revisions is proposed below. Once you have reviewed the response leads identified and the proposed schedule, please either confirm your agreement or propose alternatives.

The following individuals participated in the February 20, 2013 BPSOU Health Study planning team conference call:

- Steve Ackerlund (CTEC Representative)
- Merle Benedict (Citizens' Advisory Committee)
- Jay Cornish (Citizens' Advisory Committee)
- Lisa DeWitt (DEQ)
- Nikia Greene (EPA)
- Joe Griffin (DEQ)
- Susan Griffin (EPA)
- Cord Harris (AR)
- Eric Hassler (BSB)
- Dina Johnson (ENVIRON)
- Helen Joyce (Citizens' Advisory Committee)
- Dan Powers (BSB)
- Roz Schoof (ENVIRON)
- Dan Strausbaugh (ATSDR)
- Maria Viso (AR)
- Michelle Watters (ATSDR)

During the call, the previously distributed compilation of comments (chronological and sorted) received as of Friday, February 15, 2013 were reviewed and individuals were identified to lead or coordinate response development. EPA, in consultation with DEQ, will review and approve all draft comment responses. Specific comments and possible responses were also discussed in some cases. It was also noted that an additional set of comments had been received by BSB on February 17, 2013, which would be added to the compilation along with any other comments submitted over the weekend. Potential scheduling issues related to the March 16, 2013 final work plan deadline were discussed. ENVIRON was given the action item to distribute the comment response lead/coordinator assignments to the planning team distribution (see attached) and propose a schedule for development of the comment response document and revised Superfund health study work plan.

In consideration of timing needed to prepare responses, we propose the following schedule for sharing comment response drafts and work plan revisions:

- Monday, March 11, 2013 – Comment response leads distribute draft comment responses for consideration by planning team
- Thursday, March 14, 2013 – Planning Team Conference Call (12 pm MST) to discuss March 11 drafts
- Thursday, March 28, 2013 – Comment response leads distribute revised/updated comment responses for consideration by planning team. The current redline draft of the revised work plan will also be distributed.
- Wednesday, April 3, 2013 – Planning Team Conference Call (12 pm MST) to discuss March 28 drafts
- Wednesday, May 1, 2013 (or sooner, if possible) – Final comment response document and work plan submitted to EPA.

Please note that the attached comment response table includes additional comments (G1.C.3, G2.B.12, G2.C.14, and G2.D.10) that were received by BSB over last weekend and were not, therefore, included in the prior chronological or sorted comment compilations.

Regards,  
Dina
